

PRINCE KUMAR

B.Tech Computer Science & Engineering | Aspiring DevOps Engineer

Samastipur,Bihar,848505 | 6202849536 | Kumarprince426360@gmail.com | www.linkedin.com/in/princekumar426 | <https://kumarprince426>

PROFESSIONAL SUMMARY

Computer Science & Engineering undergraduate with a foundation in Linux and Operating Systems, Computer Networks, programming, databases, and web development. Hands-on experience building web and IoT projects using Python, C, Java, JavaScript, PHP, MySQL, Arduino, and XAMPP. Seeking an entry-level DevOps opportunity to apply development and infrastructure fundamentals while growing in CI/CD, cloud, containerization, and automation.

TECHNICAL SKILLS

Programming: Python, C, Java, JavaScript, PHP
Web & Backend: HTML, CSS, Node.js, PHP
Database: MySQL, SQL, NoSQL
Systems: Linux fundamentals, Operating Systems, Windows
Networking: Computer Networks, TCP/IP fundamentals
Tools: Git/GitHub, VS Code, XAMPP, GCC Compiler
IoT: Arduino Uno, ESP8266, sensors, LCD interfacing

PROJECTS

The Taj Wedding Event — Web Application

Technologies: HTML, CSS, JavaScript, PHP, MySQL, XAMPP

- Developing a business website with a PHP and MySQL backend.
- Implemented database-backed contact/enquiry functionality.
- Working with a local XAMPP environment and preparing the application for live deployment.

RiseAsPrince — Personal Portfolio Website

Technologies: HTML, CSS, JavaScript, PHP, MySQL

- Built a personal portfolio website for projects, skills, resume, and contact information.
- Implemented PHP/MySQL functionality for enquiry data.
- Structured the project for maintainability and future deployment.

Virtual Doctor Bot — IoT Project

Technologies: Arduino Uno, Temperature Sensor, LCD, IoT

- Developed an IoT-based temperature-monitoring prototype during NIELIT Muzaffarpur training.
- Collected temperature readings using a sensor and displayed results on an LCD.

EDUCATION

Motihari College of Engineering (MCE), Motihari

B.Tech in Computer Science & Engineering | Bihar Engineering University (BEU), Patna | CGPA: 7.47

TRAINING & CERTIFICATIONS

- NIELIT Muzaffarpur: IoT-based project training; developed the Virtual Doctor Bot.
- DBMS Training: SQL, DML, aggregate functions, views, and relational database concepts.

ACHIEVEMENTS & ACTIVITIES

- CGPA: 7.47 in B.Tech Computer Science & Engineering.
- Volunteer, college-level Startup Idea Festival.
- Developed the RiseAsPrince technology and education brand.
- Completed hands-on IoT project training through NIELIT Muzaffarpur.

CURRENT DEVOPS LEARNING

Docker | Jenkins | CI/CD | AWS | Shell Scripting | Cloud Fundamentals | Monitoring

These are current learning areas and are not presented as professional experience.

ADDITIONAL INFORMATION

Languages: Hindi, English

Strengths: Problem Solving, Teamwork, Communication, Self-Learning
